PRODUCT INFORMATION

CT Hose Garage

Item: 494388

Price: \$40.00*

PRODUCT DESCRIPTION:

High quality ABS plastic attaches without tools. Stow suction hose and cord for easy transport and storage using the new CT hose garage. Accepts standard CT hose (D27 x 11.5') or larger diameter hoses (D36 x 11.5' or D50 x 8.25'). Systainers dock right on top of hose garage.

SUGGESTED USAGE:

Use to manage your suction hose and power cord for organized and efficient dust extractor operation. Enhances unit portability and storage, creating a compact, organized unit. Helps prevent damage to hose and cord, and reduces overall unit footprint.

BENEFITS:

- Works with all CT dust extractors to stow hose and cord. Avoid damage, save money.
- Impact resistant for long service life.
- Avoid trip hazard from hose and cord tangle.
- Neat and tidy, work more efficiently.
- Stores easily to save space.
- Make fewer trips out to your truck, save time.
- Work with the convenience of dust extraction.

RELATED PRODUCTS:

- Compact cleaning set (456736) Complete cleaning set in Systainer 1. All of the cleaning tools you need packed in one convenient case.
- Installer cleaning set (454766) Handy set includes everything for the professional. Large diameter antistatic hose can also be used with tools for optimal dust extraction. Floor nozzle won't scratch hardwood floors, also works on carpet.
- Workshop cleaning set (454767) Ideal for the shop, large floor nozzle makes for quick clean up.
