The Down To Earth Woodworker

Andy, Wales

In this month’s feature... A way to capture the "natural" character? A quick, simple method of cutting, and a description of the various woods and their characteristics will be shared. We will also discuss the different types of tools and the processes involved in hand-basting, and whether or not there is a more efficient way of doing this. We have a great variety of woods at our disposal, so let’s get started!...
