Sales tax collection on orders shipping to the states listed on this form reflects those states in effect at the time of printing and is subject to change.

Please add the required applicable sales tax (be sure to combine any county/city/special sales taxes) due per the delivery address of your order.

For help in determining sales tax, please call us at 800-241-6748, or if you have internet access, go to www.salestaxstates.com & enter the delivery address zip code.

Remitting incorrect sales tax may delay order processing.
